SUPPLEMENTAL AMENDMENT UNDER 37 C.F.R. §1.111Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This response, which is supplemental to the response mailed December 23, 1994, is being sent in response to a personal interview with Examiner Ziska and with Richard Schwartz, Biotechnology Specialist for Group 1800 that took place on December 6, 1995. Applicants submit the following amendment and discussion of the publications cited by Examiner Ziska in a draft office action that was faxed to Applicants on November 17, 1995. The following amendment and remarks are believed to be sufficient to address and overcome all issues raised in the interview and the draft office action.
